Updating of stories and reading materials was also done by the technicians of the program lead by **Leonard**.

The new pupils were so delighted with the program so much so that, they can't wait for "day-break" in coming to school.

***Anxious new entrants with a tablet***

The Coach of the school Mr. Mireku has been taking away and instead Mr. Fred Binkah is to take over from him.

Three officers from the National Centre for Research into Basic Education (NCRIBE), university of Education, Winneba visited the school to do a research on the OLE project. They are in the persons of: Madam Patricia Amos, Mr. Ransford Ekow Baidoo and Mr. Bernard Mensah.

They interviewed the head teacher, Lead teacher, classroom teachers and the pupils about the program. They also inspected the items supplied and how it is being used.
