Story Time

Why the Hen has a Small Ear

Long time ago Man and Hen lived as one people. Man was a farmer and had lots of food. Hen and her children had big ears just like that of man. There came a great famine. Hen and her children did not have anything to eat. One day, she went to the farmer and said;

Hen: 'Farmer, please give us food to eat'

Farmer: 'I can only feed your children but not you'

Hen: 'Please, I will die if you do not give me food'

Farmer: 'Okay, I will take care of you all'

Hen: 'Thank you. Any time you need meat for soup, cut our ears.'

Farmer: 'Thank you, I will do just that'.

From that day, the farmer cuts the ears of Hen and her children any time he wants meat to cook. That is why the Hen and her children have small ears.
